JUNE 2017

WE HAVE A NEW MEETING PLACE First Meeting, June 3, 2017

We will now be meeting the first Saturday of each month with a few exceptions.

Mountain Artists Guild
228 N. Alarcon
Prescott, AZ 86301

Meeting begins at 9:30 am this month.

Coming in from Prescott Valley, take 69 into Prescott, (which turns into Gurley), stay on Gurley to Marina, turn right; to Willis, turn right – **there is a “road closed” sign** but turn anyway; there is an alley behind the Social Security Building, turn left. About 2/3 of the way down on the right you will see a grey building with blue awnings. **That's Mountain Artists Guild** and there is a parking lot there. The front door facing Alarcon is the main entrance we are to use.

PRESIDENT'S MESSAGE

Wow, it just seems like we just had a meeting and here it is time for another meeting. Hey, wait, we did just meet. Do not forget, we are now starting to meet the first Saturday of the month except for October and December, when it will be the second Saturday of the month. We are now going to be meeting at MAG (Mountain Artist Guild), so do not go to Grandville. Remember during the month of June and July we are doing potlucks. The potluck for Lois was fantastic, all that good food and what a variety. We will miss Lois, she was great for our chapter. We wish her the best.

A special thank you to Nancy Emeigh for taking on Sunshine Committee and bringing all the goodies from Mary M. We do need everyone to be painting for the boutique, so please put your painting brushes into your hands and paint, paint, paint. Do not forget our two charities: Memory boxes and SVdP food bank. Thank you to everyone that brought something for the food bank. Last but not least, remember the lunch box auction is in August and not September this year. Have a wonderful summer and stay cool indoors and paint. I just want to see how many times I could mention PAINT)!!!!!!

MEMORY BOX

The May Paint-in Was Great!

Wasn't it fun having Judy Lopez come to teach us at the May meeting? The paint wagons were adorable as were the other surfaces you chose to paint on. A big thanks to Judy for coming all that way to help us improve our painting skills.

Be sure to join us for the June meeting at our new location when Cheryl will teach us how to paint an adorable frog. It's not too late to sign up for that class. Contact Cheryl Jacobson and she can send the pattern to you along with the surface that she painted on. Any questions can be directed to Bev Morn who is our new paint-in chair.

Saying Goodbye to Lois

Words cannot express how much we appreciate you for all you have done for LIBT over the years. You have gone above and beyond for us many, many times. We all wish you the very best and much happiness in your move. And we look forward to you visiting us whenever you would like and teaching us an ornament in November.

WE WILL MISS YOU!!

Many, many thanks to everyone for the nice cards, gifts and wonderful potluck that you gave me as a farewell. I will miss being with you each month but I do intend to come back and visit this summer and enjoy your new meeting place. Thank you so very much.....Lois

Saturday and Sunday September 16 & 17, 2017
At Casa Senior Center, 9360 E. Manzanita Circle, Prescott Valley

Below are the two projects we are doing. Saturday is the watercolor, and Sunday is the pencil project. The cost is \$40 each day and will be from 9:30 am to 4:00 pm. We have members who are willing to have someone spend the night to attend the seminar. You may sign-up at our meetings or you can contact me direct at Bev Morn-Seminar Chair. This is a great way to learn new techniques without the expense of a convention. Kathi is an experienced teacher in pencil, watercolor, and acrylics. She teaches in Las Vegas at the Creative Painting Convention each year and is in the General Pencil booth. Her website is [Kathi Hanson .com](http://KathiHanson.com) and she is on Facebook.

SHOW AND TELL

Kate, Pat, Jody and Cheryl brought in projects to share.

BIRTHDAY GIRL RAFFLE

Four items were brought in for the raffle. Lois painted a beautiful Lazy Susan won by Pat. Lois also brought in a darling painted sweatshirt won by Cheryl. JoLynne gave two canvases and two brushes won by Jo. Sheryal painted a cute pot with flowers won by Kate.

Artist of the Month

Each month Bev gives a biography of an artist supplemented by books in the library if available or items Bev has to enhance information on the artist. In April, Bev highlighted Debby Forshey-Chroma. In May she discussed Jamie Mills-Price. If you paint an item in April, May or June of the artists she presents, a prize will be offered.

JAMIE MILLS-PRICE

Not long after losing my husband; with my oldest son (Ryan) @ about 6 1/2 years old and expecting my youngest (Tyler), a dear friend (Flo) talked me into taking a "tole" painting class to help take my mind off my sorrows. It worked; I fell in love with painting...and it wasn't long before I was painting anything that stood still!

My love of painting soon led to designing and teaching; from teaching to publishing my original designs as decorative art instruction books, magazines articles and pattern packets.

To date, I have published 17 books: 10 volumes in the Between the Vines series, 6 in the Christmastime Between the Vines series, my big book, "Painting Heartwarming Holidays", published by North Light Books, was released in Mar'06. I also have several combined-author books, including a few books published by the National Museum of Decorative Painting. "The Book of Handpainted Quilts & Other Home Accessories" and "Ornament Extravaganza".

Other combined artists books include: Heartfelt Seasons and A Festive Collection (Easl and Viking Publications). I have been a regular contributor to painting magazines through the years and have published numerous individual designs.

Between the Vines 8 was first endeavor into complete self-publishing and distributing. Publishing was (is!) a challenging yet satisfying experience, and I look forward to publishing more volumes in the future. I am now working on the release of my out of print books onto CD's, and producing DVD's of my painting techniques. My true passion is for designing and my schedule is tight, so I am not traveling much. Look for me at a couple conventions each year, either teaching and/or exhibiting and/or at a few locations, my schedule will be posted on my site: [http: www.BetweenTheVines.com](http://www.BetweenTheVines.com).

Being widowed at a young age was a trial and I couldn't have made it without the love, support and guidance of the good Lord and my family and friends. I am blessed with 2 incredibly, wonderful, delightful sons: Ryan is now 28 and Tyler is 22. I am engaged to a fellow in this industry, Don of Valhalla Laser Designs, who has been so supportive and dear.

I believe it was learning to paint that helped me conquer my grief and channel it into something positive. My cares and concerns melted away when I picked up the brush and I was able to forget my woes for awhile. It is my heartfelt desire that as you paint my designs, that you leave the cares and worries of life...Between the Vines...
